Bills that we believed were USBE Governance bills that failed or were substituted	0
Bills we designated No Position or which we had not considered that passed*	10
Bills designated NP or which were not considered that failed or were substituted*	2

\*Many of the bills for which we had no position came out in the last week of the session after our final Joint Legislative meeting. Most of these bills had been significantly altered in ways that were more amenable to our views.

\*\*On some bills the Joint Legislative Committee took two positions: Unnecessary and Local Issue
