

April 5, 2013

Robert Johnson, Superintendent
Kane School District
746 S. 175 E.
Kanab, UT 84741

Dear Superintendent Johnson:

Utah College of Applied Technology policy requires each campus president to provide each school district superintendent served by the campus with a list of the fees that will be charged to high school students. In our Board of Directors meeting on April 4th, it was agreed that high school fees for FY 2014 will remain the same as the current year. The current fee structure was developed with input from high school counselors and administrators and seems to be working well. We have purposely kept fees as low as possible. As you may recall, high school students do not pay tuition. A copy of the approved FY 2014 high school fee schedule accompanies this letter.

The Southwest ATC enjoys a tremendous, mutually advantageous working relationship with the local high school and school district. Together, we are able to provide valuable career exploration and preparatory programs to many students.

We look forward to a continuing productive relationship in the upcoming year.

Sincerely,

A handwritten signature in black ink, appearing to read "Dana L. Miller".

Dana L. Miller
Campus President

510 West 800 South, Cedar City, UT 84720

SWATC 2013-2014 High School Course Costs

FY 2014 Secondary Student Fees
Addendum

If a Southwest Applied Technology College course is taught to secondary students during the regular school day in a facility provided by the respective school district, fees are waived. An exception is made for the Certified Nursing Assistant course, which requires payment of regular adult fees.

Adult Lunch	\$ 3.30
High School Breakfast	\$ 1.95
High School Lunch	\$ 2.80
Elementary Breakfast	\$ 1.80
Elementary Lunch	\$ 2.30

Fee Waivers

To ensure that no student is denied the opportunity to participate in a class or school sponsored or supported activity because of an inability to pay a fee, Lake Powell School will provide for adequate waivers or other provisions in lieu of fee waivers. Information on eligibility for fee waivers and procedures can be obtained from the office.

Grading Policy

All grades are given on a quarterly basis. There are four separate grading periods during the school year. Teachers will make every effort to notify students and parents in time for "preventative measures", before unsatisfactory grades are given. Midterm grade reports will be sent home to parents at midterm. A parent-teacher conference is highly recommended for any student who is failing. Parents of students are encouraged access their student's progress online. Form's for online student progress access are available in the office.
