

Procurement

Scope of Procurement Policies—

This policy and the other policies in series CB, CC, and CD govern procurement by the District. To “procure” means to acquire a procurement item through a procurement. “Procurement” means acquisition of a “procurement item” through an expenditure of public funds, or an agreement to expend public funds. A “procurement item” includes a supply, a service, or construction. The procurement process consists of all functions that pertain to the obtaining of a procurement item, including preparing and issuing a solicitation, conducting a standard procurement process, or conducting a procurement process that is an exception to a standard procurement process under Policy CBF.
