

District Emergency Response Plan

Adoption of Plan—

Pursuant to [Utah Code § 53A-3-402\(18\)](#), the Board shall adopt and implement a comprehensive emergency response plan to prevent and combat violence in the schools, on school grounds, on school vehicles, and in connection with school-related activities and events. Existing plans shall be modified as needed to conform to the requirements of rules issued by the State Board of Education. Plans shall be reviewed at least once every three years and updated as needed.

Contents of Plan—

The District Comprehensive Emergency Response Plan shall

1. include prevention, intervention, and response components;
2. be consistent with the student conduct and discipline policies required for school districts under Title 53A, Chapter 11, Part 9, School Discipline and Conduct Plans;
3. require in-service training for all district and school building staff on what their roles are in the emergency response plan;
4. provide for coordination with local law enforcement and other public safety representatives in preventing, intervening, and responding to violence in the schools, on school grounds, on school vehicles, and in connection with school-related activities and events;
5. include procedures to notify a student, to the extent practicable, who is off-campus at the time of a school violence emergency because the student is either participating in a school-related activity or excused from school for released-time religious instruction;

6. include, to the extent practicable, standards and protections for participants and attendees at school-related activities, including those off school property;
7. include measures to assure that during an emergency students receive reasonably adequate educational services and supervision;
8. include evacuation procedures to assure reasonable care and supervision of students until responsibility has been affirmatively assumed by another responsible party or as is permitted under State Board of Education regulation;
9. address access to school buildings by specific groups, including students, community members, lessees, invitees, and others;
10. provide that in the event of an emergency, school personnel shall maintain control of students and school buildings during the regular school day or until students are released to parents or legal guardians
11. include measures to assure that students receive emergency preparedness training, including age-appropriate training regarding rescue techniques, first aid, safety measures appropriate to specific emergencies, and other emergency skills;
12. identify resources and materials available for emergency training;
13. contain procedures for assessing and providing school facilities, equipment, and personnel to meet public emergency needs; and
14. provide procedures for recording District funds spent for emergencies (including funds spent for assessing and repairing damages) and for seeking reimbursement for such expenditures.

Formulation and Review of Plan—

In creating the comprehensive emergency resource plan, the Board shall consider and make use of resources provided by the Utah State Board of Education, including the plan models and other resources prepared by the State Board as provided for in Utah Code § 53A-3-402(18)(c), recommendations provided by the emergency response plan committee, and may consider such other resources it finds helpful.

[Utah Code § 53A-3-402\(18\)\(c\) \(2016\)](#)

The Board may direct individual schools to develop and implement school-specific emergency response plans to supplement the District's plan according to the needs and features of the school.

[Utah Admin. Rules R277-400-3.C \(October 9, 2014\)](#)

The District emergency response plan shall be reviewed at least once every three years, with the assistance of the District emergency response plan committee appointed by the Board of Education. As part of the review process, each school shall review existing security measures and procedures within that school and make adjustments as needs demonstrate and funds are available.

Public Notice of Plan—

A copy of the District emergency response plan and any school emergency response plans shall be filed in the superintendent's office. At the beginning of each school year, written notice of the pertinent portions of the District plan and any school plan shall be provided to the parents or guardians of students at each school and the staff of each school. Each school shall also designate an Emergency Preparedness/Emergency Response week prior to April 30 of each school year.

Emergency Preparedness Training—

The Board of Education shall, by July 1 of each year, certify to the State Board of Education that the District emergency response plan has been practiced at the school level and has been presented to and reviewed by the District's teachers, administrators, students and their parents or guardians, and public safety representatives.

[Utah Admin. Rules R277-400-3.A](#) (October 9, 2014)

The District shall provide annual training to District and school staff on their roles, responsibilities, and priorities in the emergency response plan.

[Utah Admin. Rules R277-400-7.A](#) (October 9, 2014)

Each school shall conduct emergency drills as required by Utah State Board of Education Rules R277-400-6 and R277-400-7.B.

[Utah Admin. Rules R277-400-6, -7.B](#) (October 9, 2014)

Prevention and Intervention—

The District shall provide schools with curriculum materials regarding comprehensive violence prevention and intervention strategies such as resource lessons and materials on anger management, conflict resolution, and respect for diversity and other cultures. In so doing, the District shall make use of materials and resources provided by the State Board of Education. Schools may also provide age-appropriate instruction on firearm safety, including appropriate steps to take if a student sees a firearm or facsimile firearm at school.

The District shall also develop, to the extent resources permit, student assistance programs such as care teams, school intervention programs, and

interagency case management teams. In so doing, the District shall coordinate with and seek support from the State Board of Education and other state agencies.

[Utah Admin. Rules R277-400-8 \(October 9, 2014\)](#)

School Building Access—

With respect to building access during an emergency by various groups (including students, employees, community members, lessees, invitees, and others), the emergency response plan shall consider identified time periods and shall address possession and use of school building keys by designated administrators and employees. The plan may include restricted access for some individuals.

[Utah Admin. Rules R277-400-5.B \(October 9, 2014\)](#)

Cooperation With Other Government Entities—

As appropriate, the Board of Education may enter into cooperative agreements with other governmental entities to assure proper coordination and support during emergencies.

As is feasible, the Board shall cooperate with other governmental entities to provide emergency relief services in times of public need. For statewide emergencies or emergencies involving more than one school district, the State Board of Education, through the State Superintendent, is the chief officer to coordinate assistance by the schools. For emergencies within the school district, the Board of Education, through the superintendent, is the chief officer to coordinate assistance by the schools.
