

FBF-Re-Entry into Public Schools

Students Returning from Private or Home Schools

Students who have not been enrolled in public school but have been enrolled in private school or home school shall be admitted to the district's public school upon application to the district by the parents, subject to all eligibility requirements imposed by district policy and state and federal law and regulation.

Placement

Students requesting re-admission at grade levels K-8 shall have appropriate placement testing performed to determine the grade level in which the student shall be placed upon admission.

Students entering the 9th, 10th, 11th or 12th grade levels after participation in home or private school will be required to fulfill all graduation requirements. The district will not accept home education as credit toward graduation. The district will accept credit toward graduation from an accredited regularly-established private school.

Utah Admin. R277-438-3

Students may fulfill graduation credits by successfully completing courses required for credit or by demonstrating proficiency via pre-assessment.
