

Public Information Program: ***School Report Card***

Publishing of School Report Card—

On or before August 15 of each year, the District shall publish the school report cards for the prior year for each school in the District on its website, and shall also publish on each school's website the prior year's report card for that school. The District shall also publish the current school improvement plans for each school on the District and school websites.

Utah Code Ann. § 53A-1-1112(4) (2011)
