Modified public forum—

All school buildings have been designated as modified public forums after school hours. However, during school hours all school buildings are dedicated to the sole and exclusive purpose of providing education to school students then attending school. No visitor, whether a student's parents, guardians, or other persons, shall have access to a school unless express permission is granted as provided below.

Campus visitors—

All persons who are not students or District employees who visit or enter upon school property shall report immediately to the school administrative offices for authorization by the Principal or his or her designee to be present at the school.

Authorization shall not be given if the Principal or his or her designee determines in his or her discretion that one of the following is true:

- 1) The person's presence will likely cause fear for the safety of another.
- 2) The person intends to cause annoyance or injury to a person or damage to property on the school property.
- 3) The person intends to participate in or instigate conduct or activity which constitutes a crime.

Each school shall, through the use of signs and fences or other enclosures, exclude trespassers from the school ground.

In the absence of express permission, all visitors to the school shall be deemed to be trespassers on school property and subject to immediate removal by the school district.
