

# **Stand Up for Public Education!**

## **Monday, March 9, 5:30 p.m.**

Utah students need your help! Teachers, parents and students have waited six years for an improved economy that might drive additional funding to support our public schools. The time is NOW to devote significant funding to our students!

Support a 6.25% increase on the Weighted Pupil Unit (WPU) as proposed by the Governor.

**WE NEED YOU! Join us for a rally at the  
Utah State Capitol Rotunda.**

Rally sponsored by:

**UTAH SCHOOL BOARDS ASSOCIATION**  
*Building Better Boards*

**and many others!**

Bring your signs in support of our public schools and asking legislators for a significant increase in the public education budget.

**See you there!**
