Board of Education

Wayne Woodward, President

Jeff Richens, Vice President

Lee McCourt

Melanie Fausett

Kristen Taylor

The Board of Education is committed to the process of community engagement in our effort to provide the best possible education for our children. Toward this end, the Board has initiated a series of community gatherings, called “What Counts” meetings, designed to collect information on the strengths and weaknesses of our schools, and receive input on how to improve. The Board feels strongly that this process is one that truly “counts” and that community input is valued and worthwhile.

ABOUT CARBON COUNTY AND CARBON SCHOOL DISTRICT

Carbon County, Utah is located in the southeastern region of Utah. It is located in the midst of forests, lakes, deserts, and streams. Carbon County has a rich history of diversity that includes immigrants of Greek, Italian, and Hispanic descent; its working development history is as diverse and varied as its immigrant history. Carbon County's work force history includes professional as well as blue-collar workers – from coal mining and railroading to business and education. Today Carbon County's workforce includes retail trade, mining and construction, and educational, health, and social services as well as travel and recreation support industries. Carbon County is proud of its diversified work force.

Carbon County has 2000 square miles of land area and is centered among well-known recreation areas that include Nine Mile Canyon, the Manti-Lasal National Forest, Scofield Reservoir, and the San Rafael Swell. It boasts museums such as the Utah State University Eastern Prehistoric Museum and the Western Mining and Railroad Museum. Castlevue Hospital, located in Price, was recently named one of the Top 20 Rural Community Hospitals in the country, and is dedicated to providing the best services to our community.

Carbon County is comprised of the cities and towns of Price (population 8,358 [2014]), Helper (population 2,144), Wellington (population 1,641), East Carbon City (population 1,271), Sunnyside City (population 384), Kenilworth and Scofield.

Carbon School District serves all of Carbon County. The district operates five elementary K-6 schools, two middle schools, one high school, one alternative high school, and one school for individuals with disabilities.
