## KEYNOTE PRESENTER-

### John R. Hickman-

John is head of the Alston & Bird, LLP Health Benefits Practice where he leads an experienced team of attorneys devoted exclusively to health care reform issues under the ACA, HIPAA privacy, flexible benefits, and other health & welfare benefit issues. Mr. Hickman has been a pioneer in the consumer directed health care arena and has worked closely with health plans, financial institutions, and employers as well as the IRS, Treasury, and DOL in developing guidance for tax-favored health reimbursement arrangements (HRAs) and health savings accounts (HSAs).

Mr. Hickman is a fellow of the American College of Employee Benefits Counsel, and has been listed in The Best Lawyers in America (Woodward/White) and Who's Who Legal in the employee benefits area. Mr.

Hickman has lectured widely and published articles on HSAs, HIPAA, ERISA litigation, cafeteria and health plan issues. He is co-author of the Cafeteria Plans Manual, Health Care Reform, HIPAA Portability and Privacy, and Consumer-Driven Health Care (published by the Employee Benefits Institute of America). Mr. Hickman is head of the Technical Advisory Committee and is on the board of the Employers Council on Flexible Compensation (ECFC). Mr. Hickman has also been an adjunct professor of law at Emory University School of Law.

## CONCURRENT SESSION-

### Chris Mast-

Chris is a Principal and actuary in Mercer's Health and Benefits business. He provides strategic direction and oversight for the benefits plans of employers of all sizes. Chris' expertise includes the evaluation, design, implementation and management of group benefit plans and strategies for his clients, both fully insured and self-funded. Chris leads Mercer's West Market actuarial and financial group and is a member of the Denver H&B leadership team. Chris has been with Mercer for 13 years. Prior to joining the health and benefits business in 2011, Chris worked as a pension actuary in Mercer's retirement business.

Chris graduated from the University of Colorado with a Bachelor of Arts degree in Mathematics. Chris is a Fellow of the Society of Actuaries, a member of the American Academy of Actuaries, and is a Fellow of the Conference of Consulting Actuaries. He is also a licensed producer for Life, Accident, and Health Insurance.

### Terri Flint-

Terri is the Director of EAP & Employee Wellness at Intermountain Healthcare in Salt Lake City. This includes both the Employee Assistance Program and the LiVe Well Program for employees and families. She is a Clinical Social Worker with a Ph.D. in Social Work. She has worked for Intermountain for 27 years and loves the opportunities she has to influence others to live well both at work and at home.

To practice what she preaches she lives in Park City where she loves to read, garden and ride her horses, Henri and Gus

### Kelly L. Esselman-

CEBS, SPHR

Kelly has over 25 years of consulting and HR experience. She is currently a Principal with Mercer in Denver where she assists employers with forward thinking strategies around benefits, consumerism and well-being. Kelly's background in HR has given her a unique perspective as a consultant and she has been able to apply her direct HR experience to her clients in meaningful ways.

Kelly has a BS from Pace University in Mathematics and has her CEBS and SPHR certifications. She is very involved in the community sitting on the boards for HRUnlocked and The Delores Project.
