

ZIONS BANK® CONSORTIUM COMMERCIAL CARD*

MORE CONTROL. MORE REVENUE.

Zions Bank Commercial Cards help you streamline business purchasing by combining multiple types of expenses onto a single card. The Zions Bank Consortium Commercial Card goes further, allowing you to aggregate payment volume with like-minded school districts and amplify your ability to earn revenue share within the Education Consortium.

Gain Greater Control

Manage card accounts, set individual credit limits, generate customized reports and more, from the convenience of your computer.¹

Simplify Expense Management

Cardholders can track expenses and upload receipts² using our online expense management system or using the mobile app.

Increase Accounts Payable Efficiencies

Reduce administration needs, negotiate better terms with high-volume suppliers and match accounting options to your existing processes.

Work Together to Earn More

With the Zions Bank Consortium Commercial Card, you earn revenue share on every payment.

- Rate of return is determined by level of spend
- Revenue share is paid annually

As part of a consortium with other school districts, you can combine spend volume to increase revenue share even faster.

See what the Zions Bank Consortium Commercial Card can do for your school district.
