Keynote Speaker - **Meg Johnson**

Before being paralyzed, Meg was a ballroom dancer and professional party planner. Then a weekend trip changed it all and Meg was paralyzed on March 6, 2004 when she was hiking in Southern Utah. She returned home without the use of her legs, back, stomach, or hands and is a C-7 quadriplegic. Meg inspires audiences all over the world with her message of hope, happiness, determination, and triumph. She is a founding partner of Jumping Turtle LLC and Our Turtle House.

"I am the one in the wheelchair, but I am not the only one who knows what it feels like when this life gets too hard to stand and we all need a little help to keep on rollin.'

- Meg Johnson
